Marsigliese Tile is among the most requested tiles by architects and designers due to its aesthetical and functional merits. SanMarco has developed a product that permits new design solutions with optimum flexibility of installation thanks to its variable gauge. Marsigliese Tile provides unprecedented performance and harmonious aesthetics in historical renovations or contemporary architecture.

Marsigliese is a **CE** marked product

TOP

- 1\_ Punching for fastening hole.
- 2\_ Overlapping and interlocking system.
- 3\_ Interlocking grooves.
- 4\_ Variable gauge.

BOTTOM
